You have the right to be informed so that you may make the decision whether or not to undergo the procedure, after knowing the risks and hazards involved. This disclosure is not meant to frighten you. It is simply an effort to make you better informed so you may give, or withhold, your consent to the procedure.

CLIENT DISCLOSURE

Please read the statements below, putting your initials before each one, to indicate:

I understand the following completely:

_____ Expected side effects such as discomfort, redness and swelling can occur and usually subside in 1 to 3 days. Rarely, bruising, blistering, and/or infection can occur and usually requires 1 to 3 weeks to heal. Scarring may occur after blistering. Pigment changes such as hypo-pigmentation (lightening) or hyper-pigmentation (darkening) are very rare and usually resolve in 3 to 6 months but can be permanent. There may be risks not yet known at this time.

_____ Treatment will not remove deep wrinkles, sagging skin, moderate to deep acne scars; it may improve superficial acne scars, skin texture, pore size, fine wrinkles, blood vessels, red blotches and some pigmentation due to chronic sun damage. Results vary from individual to individual and cannot be guaranteed. For maximum response, re-treatments are typically done every 2-3 weeks for a total of 6 treatments. Improvements to the skin from collagen stimulation can be noted up to six months after the final treatment. Six months after the final treatment maintenance, treatments can be performed as needed.

_____ According Health Canada regulation for Laser Treatments single pass all over the treatment area with no ver lapping required to obtain result and to avoid overheating and burning of the skin.

_____ Laser treatments are not recommended under certain medical situations such as heart disease, diabetes, cancer, history of keloid scarring, pregnancy, breastfeeding or active infection such as cold sores or genital sores. If I am on photosensitizing medication such as Accutane, IPL treatment is contra-indicated. None of these conditions apply to me or if they do I realize I am at increased risk of side effects or complications. I will inform the technician if my medical condition changes over the course of treatment.

_____ Appointment booking, cancellations or changes have to be done though online service only at www.irisbeautysolutions.ca. Accounts have to be registered with Full Slate for easy operation.

_____ A written 48 hour cancellation notice is required or your session will be voided without a refund. Late arrivals can also void a session without a refund. Signed Consent Form has to be brought on the first appointment or early arrival is need to read and sign it in the office.

_____ According to Classification of Items for disinfection of the Personal Services Establishment Regulation, laser head which touches client's skin cannot be soaked and has to be wet wiped with an intermediate level disinfectant and air dried after each client. Iris Beauty Solution uses High level of medical grade disinfectant to clean surface of the IPL head after each client to kill all viruses and bacteria.

Disposable cotton pads for eye-ware, paper towels and sheets are provided for each client. Protective goggles and clipper's blades are reusable and sanitized by disinfectant and 70% - 90% isopropyl alcohol.

_____ All services are subject to taxation. Gratuity's recommended minimum is 15% calculated on amount paid for service or voucher.

_____We accept external deal site vouchers for New clients only with limit 1 per person.

If you are an existing client and have bought a discount voucher through a deal site such as Social Shopper, Groupon, or any other provider, we will NOT accept it so please refund it immediately. POST-TREATMENT INSTRUCTIONS.

1. Use Nelly Devuyt Organic Mineral SPF 30 sunscreen on a daily basis .

2. The evening of the rejuvenation and the morning after: No scrubbing with a washcloth, no hot water or harsh soap on the face. Use tepid to cool water and be gentle with the skin. Gently blot dry. Be careful if you shower not to let hot water flow over your face.

Nelly Devuyt Sensitive Skin Extract highly recommended as AFTER CARE for IPL Skin Rejuvenation .

3. In case of blistering Do not open or pop blisters. Opening the blisters will make the area more vulnerable to infection. Apply a topical Nelly Devuyt Hygia Oil to the burn. Watch the skin for signs of infection. Once the burns have healed protect the area from sun exposure. Be sure to use an SPF 30. Topical Serums Nelly Devuyt Vitamin C and Hygia Oil can aid in collagen production, improve skin healing and reduce inflammation.

Nelly Devuyt Radiance Cream is recommended to decrease production of melanin and fight with Hyper-pigmentation, Sun and Age Spots..
